

Alexandra Neagu

JUNIOR JAVA DEVELOPER

ABOUT ME

I am a hard working, responsible person looking forward to take part in a new adventure. I am looking forward to use my programming skills to reach your company's goals, willing to learn new technologies and improve.

EDUCATION

Software Development Academy

Java from Scratch (378 hours) | March 2020 - Jan 2021

Java # GIT # Coding
Software Testing - TDD # Databases - SQL, NoSQL
JDBC, Hibernate, MongoDB Java Driver
HTTP # Server Basics # HTML, CSS, JavaScript
JSP and Servlets # Introduction to JVM
Spring Framework # Scrum Methodology

West University of Timisoara

Management and supervision in child services | Sept 2018 - July 2020

Social work | Sept 2015- July 2018

WORK EXPERIENCE

Social worker

| Aug 2018 - present

- psychosocial counseling
- behavioral therapy
- family therapy

Achievements: team leader

Developed skills: interpersonal communication | time management | team coordination | flexibility | prioritization | conflict management

While working at my current job I have developed great interpersonal skills from working with different types of people. I improved my organizational skills, time management and task prioritizing skills by managing a small team which had as a general goal the personal development of our clients through counseling.
